

# SCHLOCKMASTER Tauber

## 2020/21

Beim sommerlichen Bade in der Tauber ward der Drang immer stärker geworden, die eigentümlichen Stimmungen wiederzugeben. Über mehrere Jahre tastete ich mich da mit Zeichnungen und manchem Gemälde näher. Die beiden Serien, je 5 Bilder in 2 aufeinanderfolgenden Sommern, gerieten zusehends zu einer Form-auflösenden Verdichtung, einem grünen All-Over.

*When I paint landscape outside, in the open,  
I re-build world,  
changing weather and light force tempo.  
Fundamentally it is possible to do  
Plein Air paintings in multiple sessions,  
I get the best result in one sitting.  
The painting often hangs on finest thread,  
a moment before failure, densification is a helper.*

*The locations I find by foot in the near area, I don't drive  
long ways to paint, all is done around my homebase.*

*The Landscapes have no titles, just the date,  
written on them.*

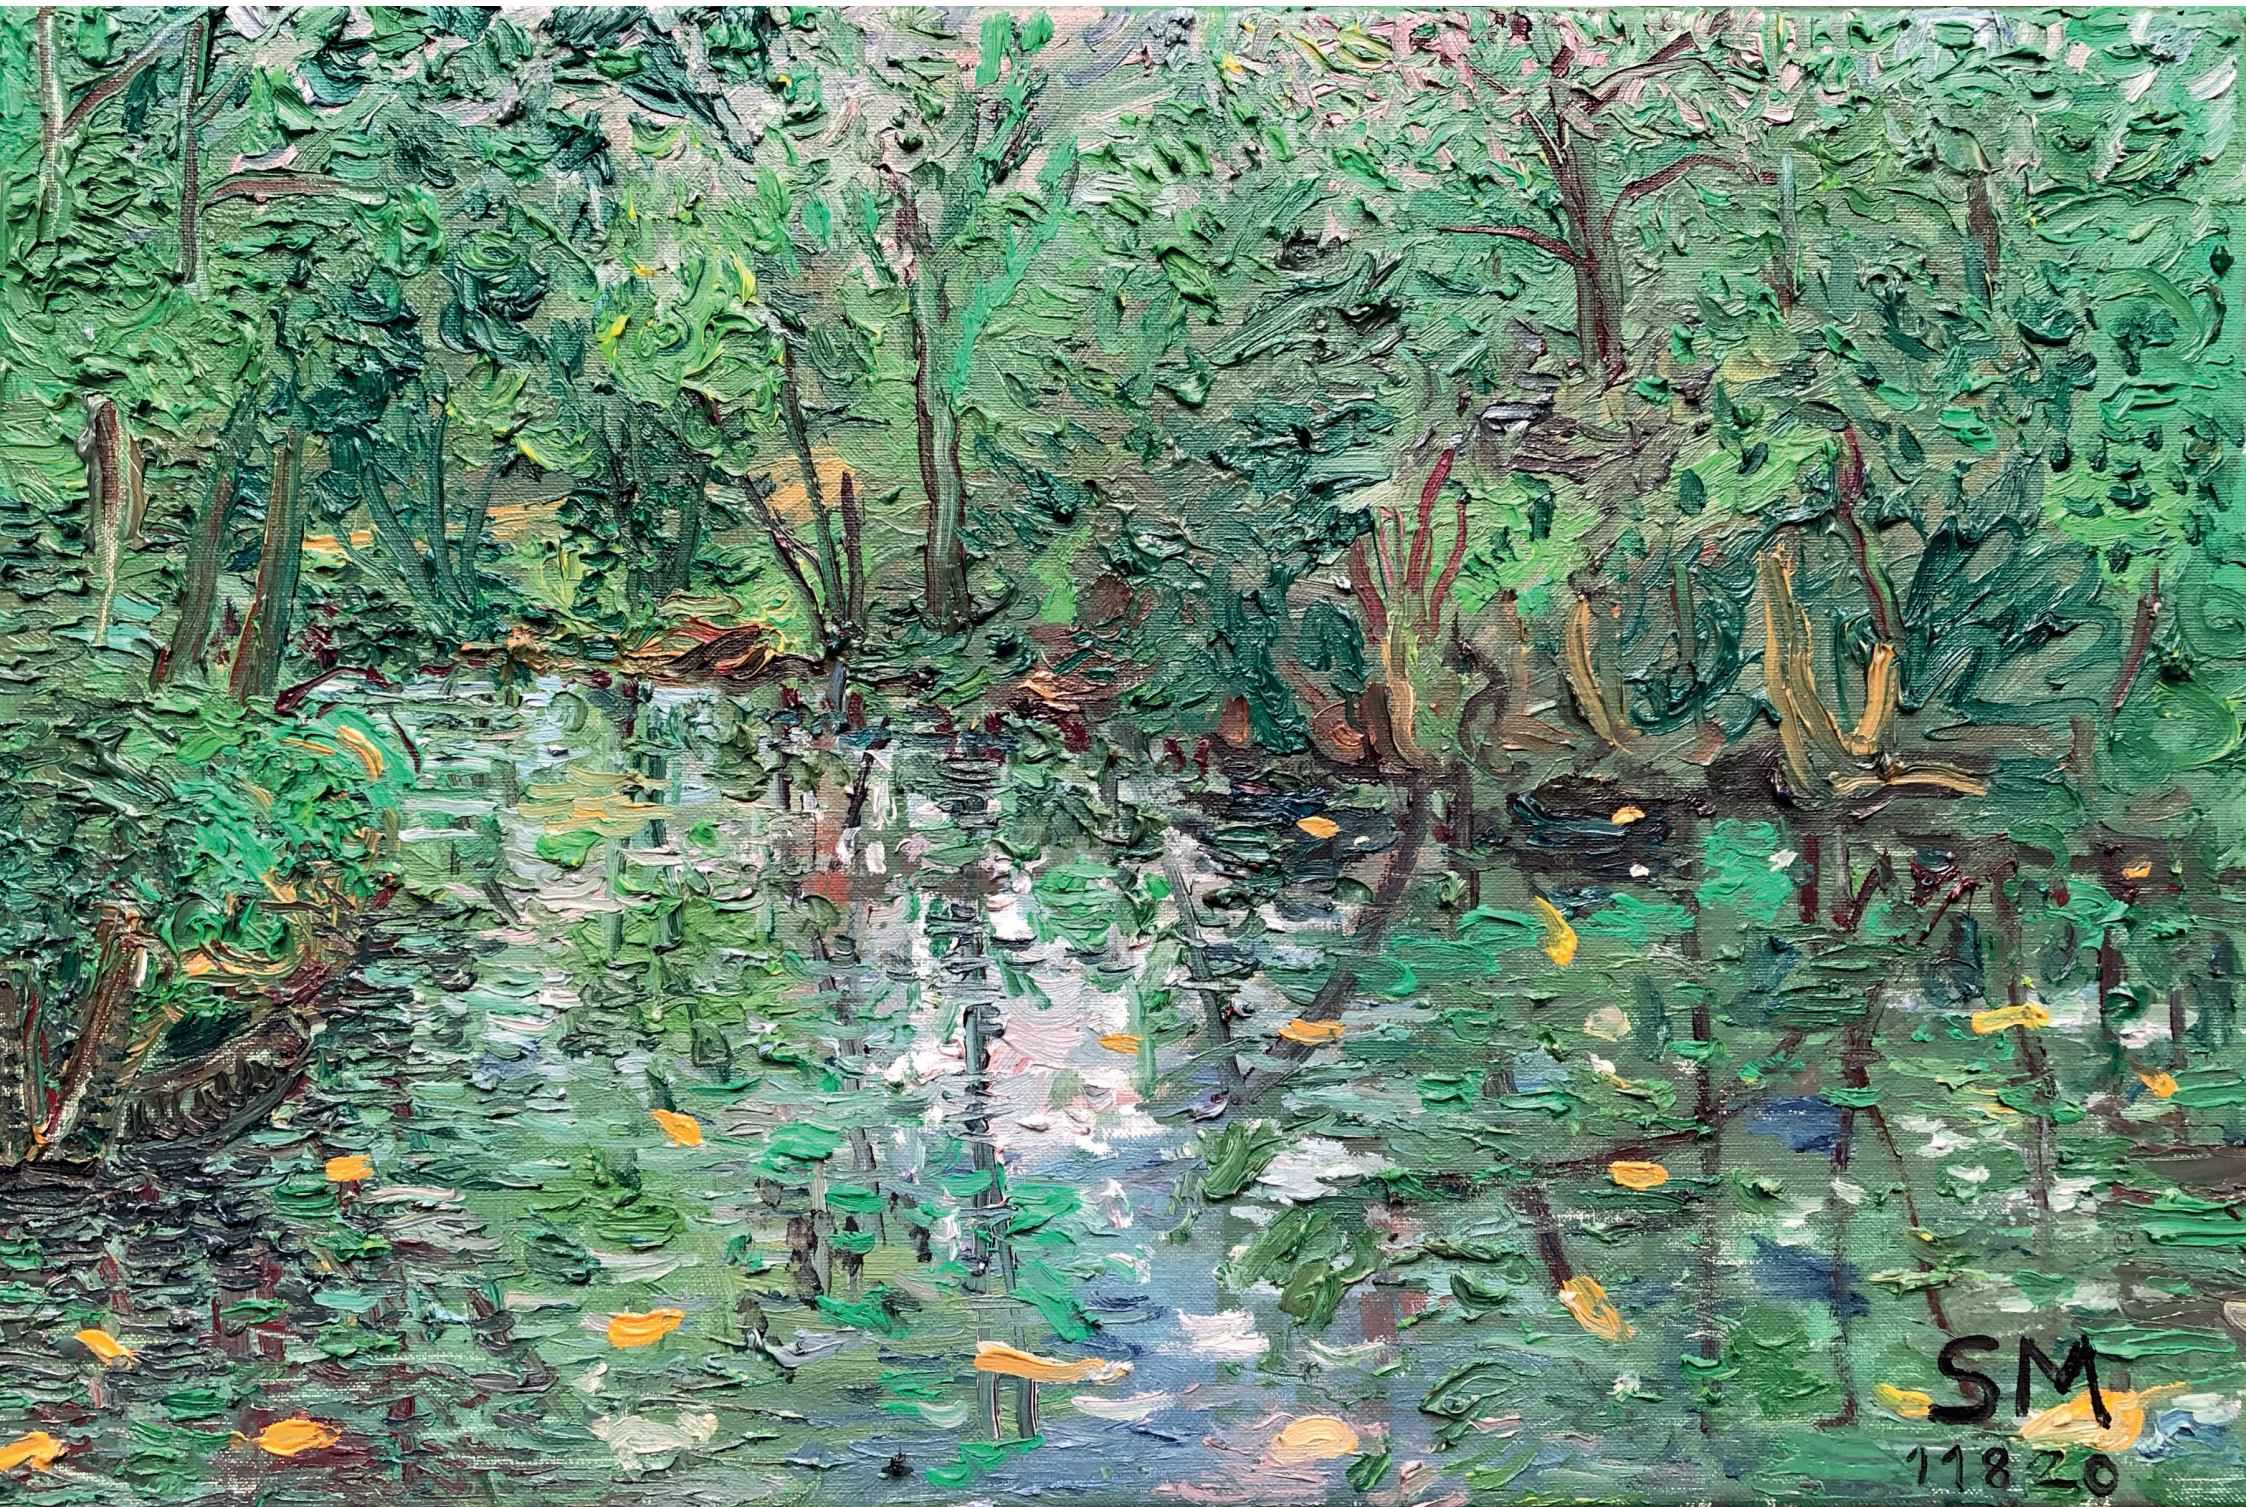

*All paintings are 40 x 60 centimeter  
and were painted in oil on canvas.*

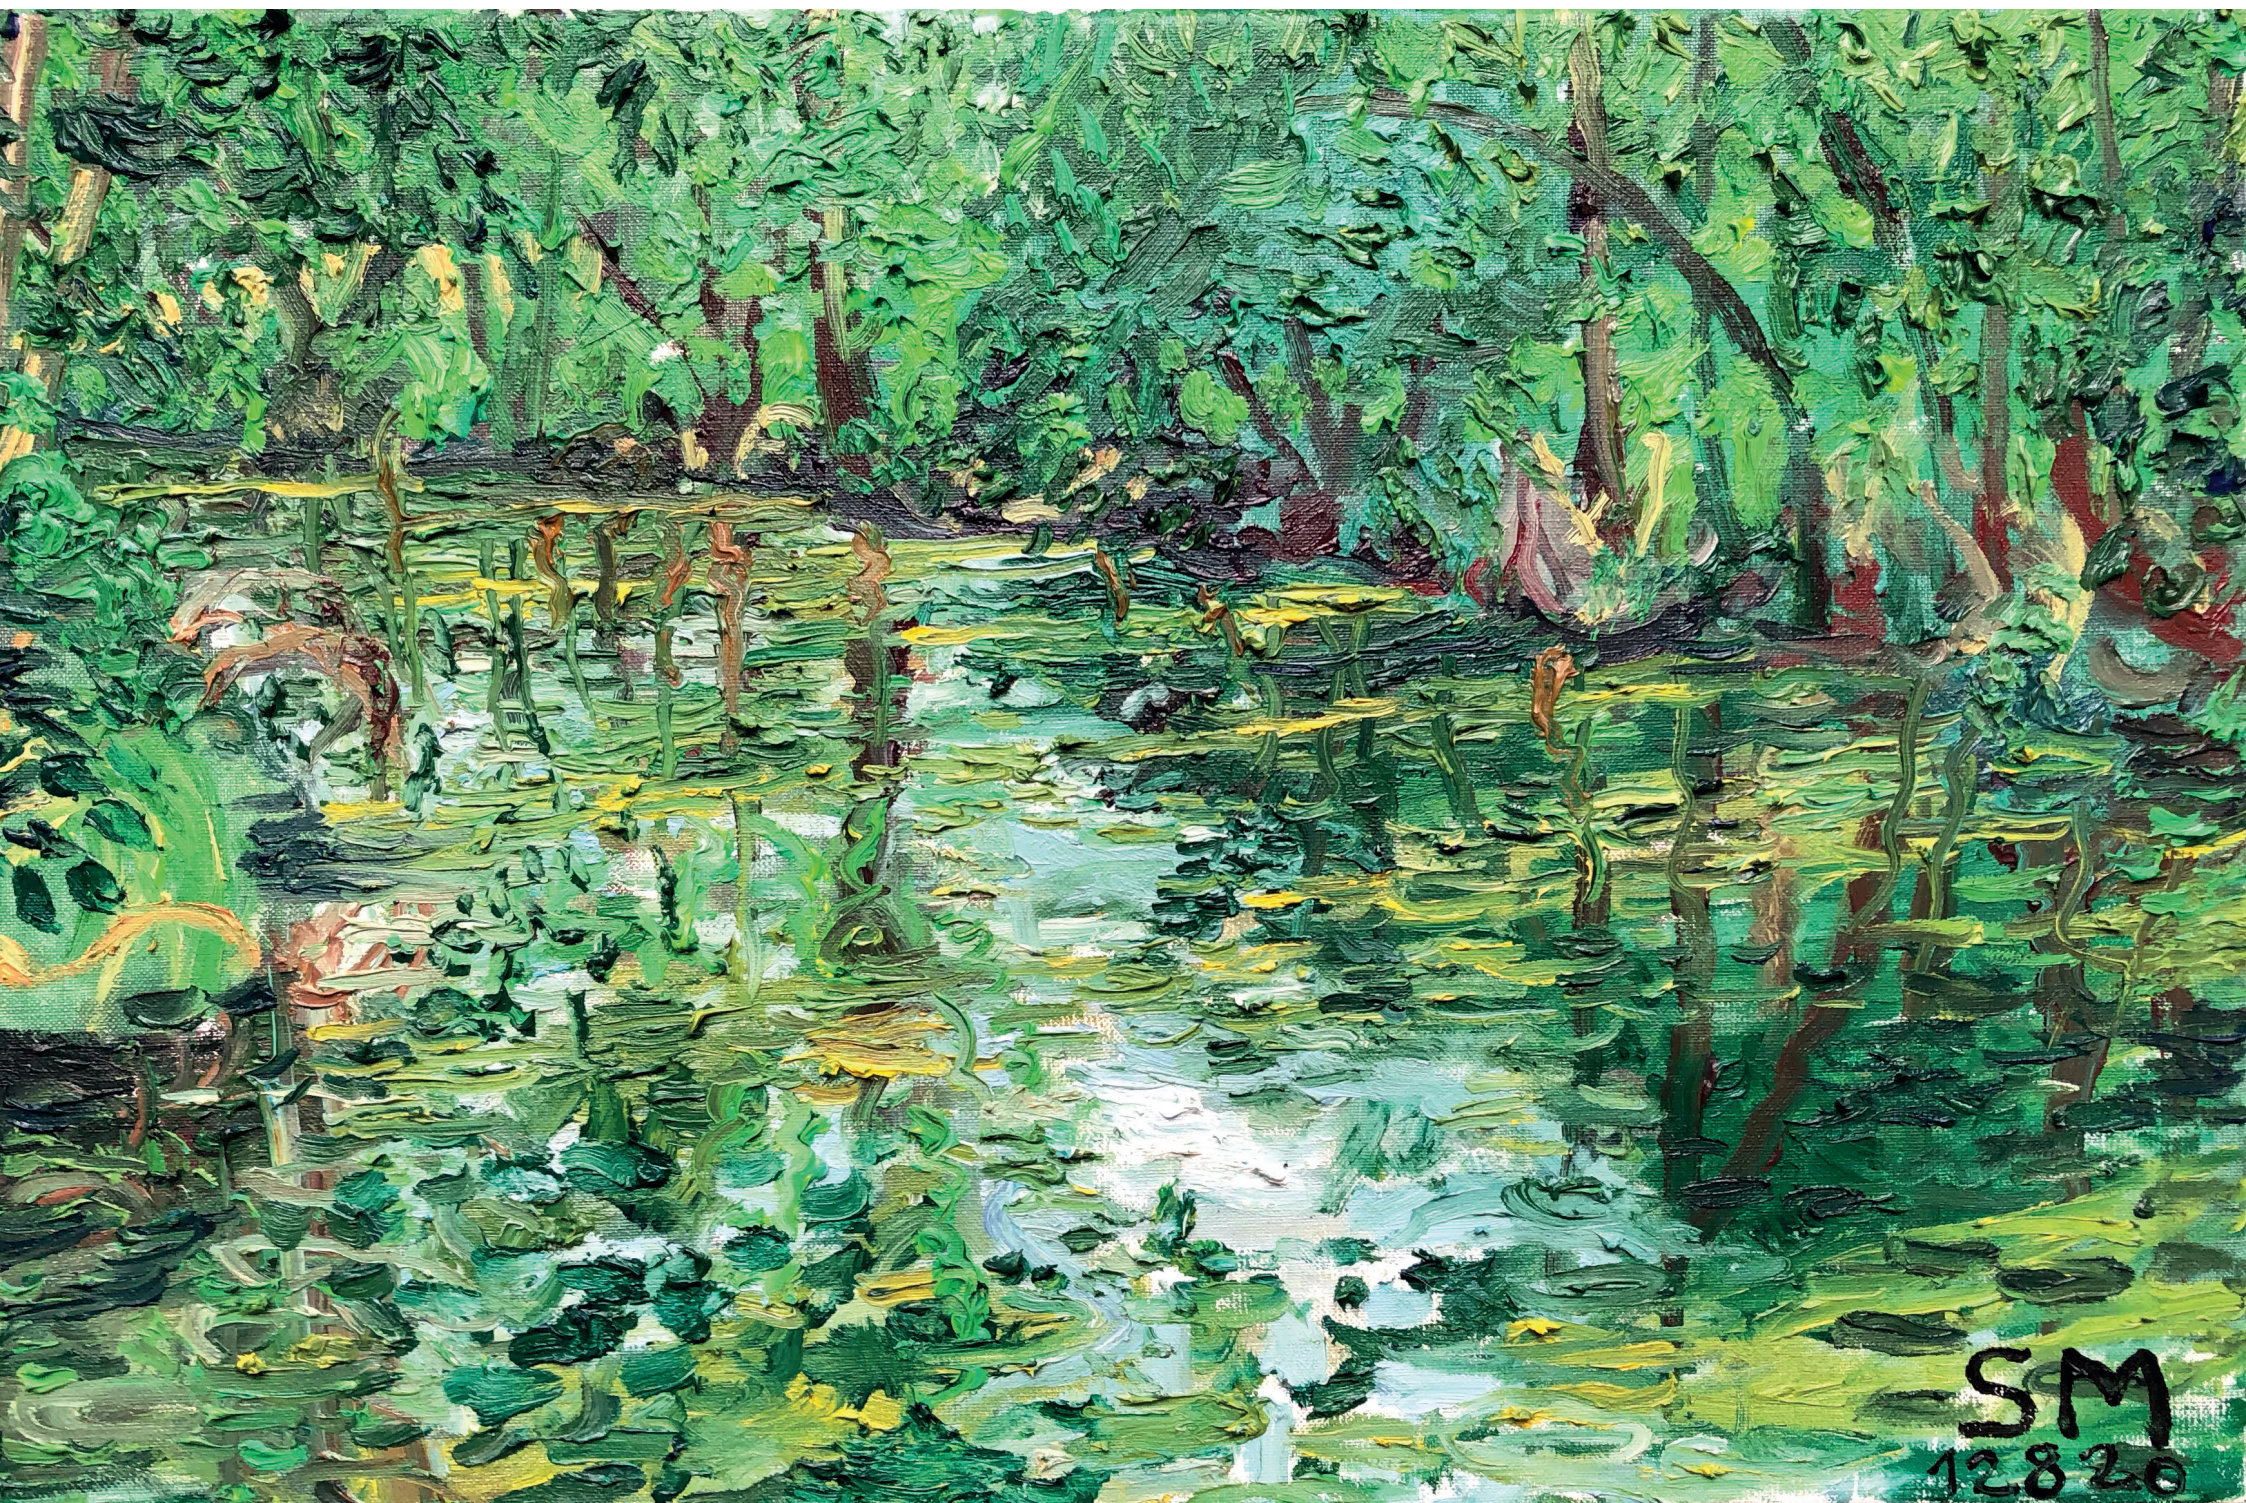

Alle Bilder haben das Format 40 x 60 cm  
und sind mit Ölfarbe auf Leinwand gemalt.
